

**Role:** Service Coordinator

**Location:** Bristol

**Remuneration:** up to £22,000

**Additional Benefits:** Health Cash Plan, Pension

### **GHL Industrial Door Services**

GHL Industrial Door Services is a division of Grant Handling Ltd specialising in the nationwide supply, installation, maintenance and repair of industrial doors and dock leveller systems. We have 12 years' experience in industrial doors and aim to offer our clients a level of service and response time which we believe to be unrivalled in today's marketplace.

### **Grant Handling**

Established in 1978 Grant Handling have 43 years of experience in the materials handling industry and pride ourselves on our extensive and versatile product and service range. We have been sole distribution partner of Heli Forklifts since 2001 for the whole of the UK.

### **Impact Group**

GHL Industrial Door Services is now part of the Impact Group. Established in 1985, Impact has grown to become one of the leading providers of material handling equipment in the UK. Offering only the very best, carefully chosen equipment ranges each specified to deliver what we believe is the best value for money for our customers.

### **Values**

At GHL Industrial Doors our people are our most valuable asset, we are proud to recruit and train the very best in the door industry. Equipping them with the skills and knowledge necessary to ensure that, no matter what our customers' need, they can handle it. Our values are:

- Empowerment
- Integrity
- Pride
- Teamwork
- Respect
- Health and Safety

### **Position – Service Coordinator**

GHL Doors are actively recruiting for a service coordinator to work within a busy depot environment. You will ideally have experience working in a similar role and industry.

You will be a key part of the service operation and be a great communicator, you will be dealing with a wide range of people both external and internal and be able to organise a busy and varied workload.

This is a cradle to grave role where you manage the process of opening jobs, communicating with customer and engineer and following this through to job completion. This is a busy, well-balanced opportunity where you will have a chance to make a real difference to our customers and service offering.

### **Skills and Experience**

- Experience Coordinating a field based team of engineers
- Good communicator with the ability to communicate with engineers and business leaders
- Organised with the ability to prioritise
- Good attitude, motivated and productive
- A customer focused perspective and approach

### **Benefits**

- Basic of up to £22,000
- Company Pension Scheme
- Health Cash Plan
